

ID cards

What you need to know 2018

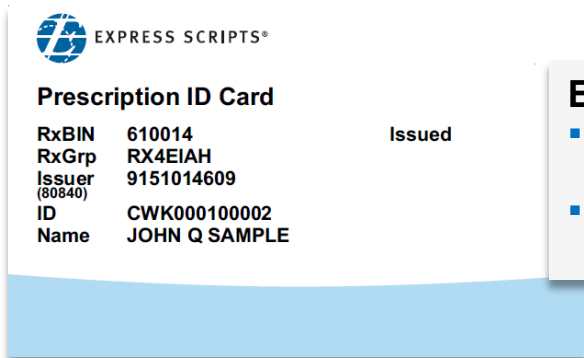

- Blue Shield members will receive an ID card from Blue Shield for medical and Express Scripts for Pharmacy benefits.
- The Express Scripts Pharmacy ID card must be used to access pharmacy benefits for those plans.**

What ID Cards will look like:

Blue Shield PPO ID Cards

- Two ID cards issued to subscriber
- No ID cards will include dependent names
- Additional cards can be requested by calling the member service number on the ID card

Express Scripts PPO ID Cards

- Two ID cards issued to subscriber with subscriber name only
- No ID cards issued with dependent names

Fact: Did you know ID cards are often accidentally thrown away as junk mail? It may not be evident that the envelope includes ID cards, so to avoid throwing your ID cards away, open all incoming mail.
