

# Downloading Your Member Card Online

For your convenience, Dental Health Services has added the option online to download your Dental Health Services member card.

- 1.** **Log in** to your DentalHealthServices.com member account.
- 2.** In the right hand section, locate the link for “**Request Member Card.**”  
Click to visit this page.
- 3.** On the first line of the page, click the “**Printable PDF**” link to generate your member card online.
- 4.** The page that opens will be your member card. The information, including your selected dentist's name and your member number, will be located at the bottom of the first page.
- 5.** Depending on your browser, you will be able to save the PDF to your computer or print the file for your records.
- 6.** If you need any assistance with this online function, **contact** your Member Service Specialist at [membercare@dentalhealthservices.com](mailto:membercare@dentalhealthservices.com) or 800-637-6453. We're always happy to assist you!
