How to receive treatment with a specialist

Calling in for an appointment

- Please call PROMED's USA number at (760)512-0366 and ask to set up an appointment with a specialist. The telephone number is available Monday through Friday 9am to 8pm, and Saturdays from 9am to 1pm.
- PROMED will set up the appointment and will get back to you with a confirmation.

If you are at PROMED's facility looking for a pass for a specialist

- An appointment is made with the specialist and you are given the pass

If the general physician refers you to a specialist

- An appointment is made with the specialist and you are given the pass
