## Return to Work Certification after Testing Positive for COVID-19

As per Health Order Updated on April 14, 2022

I, \_\_\_\_\_, certify that:

- I have been free of fever (a “fever” is defined as 100.4° F [37.8° C] or greater using an oral thermometer) for at least 24 hours without the use of fever-reducing medicines; and,
- It has been at least **10 days** after the date of my first positive COVID-19 diagnostic test.
- I have not subsequently developed any COVID-19 symptoms

Or

- I have been free of fever (a “fever” is defined as 100.4° F [37.8° C] or greater using an oral thermometer) for at least 24 hours without the use of fever-reducing medicines; and,
- It has been at least **5 days** after the date of my first positive COVID-19 diagnostic test and I have taken a diagnostic antigen test collected on day 5 or later with negative results.
- I have not subsequently developed any COVID-19 symptoms

Finally, I have complied with all directives provided to me by my health care order before seeking to return to work, including, but not limited to, directives regarding the length of time that I need to self-isolate/quarantine, follow-up testing, and social distancing.
