Medical Lane Program

On April 30, 2012 the Mexicali Department of Tourism opened a special lane at the West Port of Entry border crossing. The purpose of this program is to benefit people from the US that visit the city's doctors, dentists and pharmacies by reducing the wait time at the border crossing. Below is additional information regarding this program.

Information on the Medical Lane Program:

- The Medical Lane is available to all US residents
- Lane is available for cars only – no access to pedestrians
- Patient's car must have U.S. license plate
- The lane is located on the West Port of Entry into Calexico
- Open on Monday-Saturday from 9 am to 1pm; and from 4pm to 8pm
- Sundays from 9am to 2pm
- Passes will be given out at the physician's discretion and a fee may apply
- The lane has a "tourist police" 24 hours a day to prevent abuse

Procedures to use Medical Lane:

- Patient needs to seek services with a PCMI participating provider (list below)
- Patients will receive receipts for the services and a lane pass (see example below)
- 1 pass per patient per consultation-office visit
- At the lane's entrance, the patient must present the pass and receipts
- A maximum of 5 persons are allowed in the auto
