

Enhanced Care County Benefit Programs

Livongo Diabetes Management Program

What: A holistic program that empowers people with health challenges to live better and do more

Focus Area: Diabetes Management

How the Program Works:

- Unlimited free strips and lancets and free blood glucose meter provided to participants. Refills of strips and lancets can be ordered through Livongo meter
- Livongo's meter uploads a participant's readings to secure account – no paper logbook
- Expert Support through Livongo expert coaches available to participants. Participants can inquire with coaches or request that coaches reach out to them

Next Steps:

- HR will send out announcement email campaign
- Members can activate their membership via the following link: join.livongo.com/PRISM-EXPRESSSCRIPTS/enter
- Member Support available at 800-945-4355. Participants will need to utilize registration code of PRISM-EXPRESSSCRIPTS
