

Human Resources & Risk Management

2023 Employee Mandatory Training Calendar

Human Resources & Risk Management has put together the following training calendar for 2023. At the beginning of each month, trainings will be assigned by Risk Management for employees to take. Employees will be receiving email notifications from the training platform, Target Solutions (platform@targetsolutions.com), and such are to be completed within the assigned month.

To access your account, click this link: <https://app.targetsolutions.com/imperialcounty>

If experiencing login problems, please contact your department-assigned Target/Vector Solutions Administrator.
