To report inaccurate provider data within our directory, please call 800-247-4695 or submit a request to <https://www.principal.com/report-provider-directory-inaccuracies>

How we build our network

Principal is committed to building and maintaining our national network of dentists.

We recruit dentists referred by our members or that provide services to our members. We also regularly review areas and identify opportunities to recruit experienced dentists to better serve our members.

Dentists invited to join our network must meet, and continue to meet, our high standards. Here's what we do to make sure they're qualified:

- Before they join our network, we thoroughly review every prospective network dentist.
- They're required to meet specific qualifications and adhere to strict guidelines for quality assurance.
- Our network dentists are regularly re-reviewed to make sure they're maintaining our high qualifications.
- We also verify their procedure costs are in line with what other dentists are charging.

All dentists in our network must have and maintain:

- Dental license
- Specialty license, if applicable
- Malpractice coverage
- Drug Enforcement Administration certificate, if allowed to write prescriptions for controlled substances
- Diploma, certificate or permit for the state(s) where they practice

Specialty dentists must be board eligible, board certified, and/or be a member of the American Dental Association (ADA).

PLEASE NOTE: All Principal Plan Dental Networks (see ID card) are reimbursed on a fee for service basis.

Need an interpreter? Language interpreter services for qualified individuals will be provided at no cost to the insureds. Language interpreter services may be obtained by calling the number listed on your ID card or 800-247-4695.

All insureds are entitled to full and equal access to covered services. Subject to the provisions of the Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973, no qualified individuals with a disability may, by reason of such disability, be excluded from participation in or be denied the benefits of any covered services.

The provider network constantly changes and providers may choose to only participate at certain locations. We cannot guarantee that all listed providers will be participating in your network at the time services are rendered. It is your responsibility to verify your provider's membership by calling your Managed Care Network and by confirming participation at that address with your provider at the time of appointment. For additional assistance please call 800-247-4695.

Important Notice: Any provider included in this directory is listed for outpatient services. In addition, the directory includes information regarding whether the provider is currently accepting new patients.
